You Tube:  The wise and foolish builders

Jesus said ‘Everything I say to you is good advice to build your life on’.

If you listen and obey, you are like a wise builder who built his house on solid rock.

Rain poured down, the river flooded, a tornado hit - but nothing moved that house. It was fixed to the rock.

But if you don't really listen and learn, you are like a foolish builder who thought it was a good idea to build his house on sand. When the rain poured down and the river flooded, it collapsed and there was nothing but rubble. Matt 7:24-27

Now create your own version using Minecraft.

Challenges:

- Can you create heavy rain?

- See if you can work out how to destroy the house on the sand

What do you think Jesus meant by this? Discuss it with your helper.
