1. God told Jonah to warn the people of Nineveh that they would be destroyed because of their wickedness.

2. Jonah didn’t want to obey God. He got on a boat that took him in the opposite direction to Tarshish.

3. There was a great storm and Jonah told the sailors God was probably punishing him. He said they should throw him overboard so that the storm would die down.

4. A huge fish swallowed Jonah and he was inside the fish for three days and three nights.
After three days, the fish spat Jonah up on the shore. Once again, God asked him to go to the people of Ninevah.

This time, Jonah went to Nineveh and warned the people. The King told them all they must change their ways. They were all sorry for the way they had behaved.

God was pleased that the people had listened to Jonah. He did not destroy Ninevah. There were great celebrations and the people thanked God for his forgiveness.
