<td><em>After Jesus turned water into wine, he performed many miracles.</em> Ask - <em>What is a miracle?</em> Something that goes against the laws of nature. Some miracles were to do with healing people. We expect someone who is blind to stay blind unless they have an operation. We don't expect people who are in wheelchairs suddenly to be able to walk. But Jesus still performs miracles of healing today. Last summer, there was a young man in our church who was prayed for. He had been ill for about 6 months and wasn't able to do his job. He was totally healed and is now able to work again. We are going to watch a video of Jesus healing a man born blind. Before we do, let's play a game. Ask for volunteers. <em>Put on a blindfold. On the table in front of you find .......the keys, an apple, a ball etc</em> Video: <a href="#">Jesus heals man born blind</a> Sing: <em>'Water you turned into wine'</em> Prayer</td>
